

Montpelier Primary School

## Concerns, Complaints & Conciliation procedures

### **Aim of this Procedure**

To help the school and parents/carers resolve issues and disagreements in a fair and agreed manner.

### **Areas Covered by the Procedure**

The procedure sets out arrangements to consider complaints about the delivery of the National Curriculum, including the EYFS curriculum; Collective Worship & RE; charging for school activities; the provision of information for parents; the provision for children with special educational needs; provision for children with English as an additional language; and provision for 'gifted and talented' children.

It can also be used by parents for complaints about matters such as: the organisation and management of the school; the quality of teaching; relationships between pupils and staff, between parents and staff, and between pupils.

### **Parental Concerns and Complaints**

At Montpelier our aim is to take informal concerns seriously at the earliest stage. We have an 'open door' policy and hope that parents/carers feel able to raise issues of concern to them with the child's class teacher or other member of staff at the earliest opportunity. By taking parental concerns seriously and investigating issues thoroughly, we aim to reduce the amount of concerns that become formal complaints.

### **Definition of a Concern**

A concern in this context can be defined as a matter relating to school that causes anxiety or uneasiness.

### **Definition of a Complaint**

A complaint can be defined as any expression of significant dissatisfaction with the service provided.

### **Outcome of Raising Concerns or Complaints**

At each stage in the procedure, a complaint may be resolved by: an explanation; an explanation of the steps that have been taken in light of the concern/complaint; an apology; an admission that the situation could have been handled differently; an undertaking to review school policies in light of the concern/complaint.

In all cases, it is our aim that concerns and complaints can be resolved to everyone's satisfaction. We aim to deal with all concerns and complaints in consistent way, respecting people's desire for confidentiality, ensuring a full and fair investigation by an independent person where necessary.

### **The Procedure**

Stage 1: Informal Concern/Complaint

**Informal Discussion:** The school hopes that most concerns/complaints can be resolved to everyone's satisfaction informally whenever possible. Concerns and complaints at this stage can

be made by informal discussions with the staff member concerned, including informal phone conversations, informal notes or letters, or informal emails.

**Stage 1** can also include informal communications with the Headteacher or Deputy Headteachers.

Anonymous concerns/complaints will be dealt with at the school's discretion, depending on the nature and seriousness of the concern/complaint.

**Timing:** We aim to deal with concerns and complaints promptly and thoroughly. Wherever possible, parents/carers should try to raise concerns with the school as soon as possible after an incident so that it can be dealt with effectively. Other than in emergencies, the best way to do this is by appointment with the school office.

**Members of Staff:** Depending on the concern or complaint, issues can be raised with:

- The child's class teacher
- The 'Phase Leader'
- The Deputy Headteachers
- The Headteacher

In most cases, it is best to first speak directly with the member of staff involved. If you are unsure of who to contact, please ask at the School Office.

Please note that before and after school, members of the school leadership team are normally on duty in the playgrounds and are available to speak to parents if informal concerns arise.

**Recording Informal Complaints:** The school will note that an informal concern has been raised but record only the nature of the matter and the date.

**Conduct and Confidentiality** – Adults are asked not to discuss serious concerns or complaints in corridors or in the playground, to respect the confidentiality of those concerned. Adults are also asked to be good role models for children when discussing concerns/complaints with each other.

**Governor Role** – Members of the Governing Body are not expected to get involved with individual parental concerns at Stage 1, other than to advise parents/carers to refer to the school's 'Concerns, Complaints and Conciliation Procedure'.

**Outcome** – In most cases, staff will try to resolve informal concerns and complaints by meeting parents face-to-face, or where this is not possible, through telephone conversations or informal emails. Formal written responses from either side should be avoided if possible while the complaint/concern is still at the informal stage.

### **Stage 2: Formal Complaint**

**Formal Complaint:** If the disagreement cannot be resolved through informal means, or if the complaint is of a very serious nature (e.g. an allegation against a member of staff), parents can bring the complaint to the attention of the school formally using a letter of complaint to be written to the Headteacher.

If the complaint is actually about the Headteacher, the complainant may want to address their concerns to the Chair of Governors (contacted via the school office).

At Stage 2, the complainant may be dissatisfied with the way the complaint was handled at Stage 1 as well as pursuing their initial concern/complaint.

**Timing:** The school will acknowledge the formal complaint within two school days. The matter will then be investigated and parents will receive a formal written response within five school days or, if the investigation is protracted, a letter to advise them of progress made. The response will detail the decision reached and the reasons for it and any action taken or to be taken.

**Outcome:** Parents will then be offered an opportunity to discuss the contents of the formal written response with the Headteacher. If the parent/carer is still unhappy with the outcome, they may want to progress to Stage 3 of this Procedure.

**Recording Formal Complaints:** The school will keep records of all complaints, including dates and details of complaints received, action taken and outcome. Where the complaint has been received by the Chair of Governors, the same procedure will be followed.

**Getting Advice:** Sometimes the school's attached adviser or other member of staff in the Local Authority (LA) can help resolve the complaint while it is still at this stage. However, the process of investigating the complaint itself is the responsibility of the school.

At Stage 2, the Chair of Governors will be informed by the Head that a complaint is in progress so that s/he can ensure that the above timetables are being adhered to and can chase any party holding up the procedures.

**Governor Role:** Individual Complaints would not be heard by the whole Governing Body Meeting at any stage, as this could compromise the impartiality of any Complaints Appeal Panel set up in Stage 3.

**Monitoring Formal Complaints at Stage 2 and Stage 3:** The type and frequency of complaints received will be reviewed by the school's Leadership Team from time to time so that services can be improved. Individual records will remain confidential, and names and details of individuals involved will not be shared.

### **Stage 3: Formal Governing Body Complaints Panel**

**Complaints Panel:** In the event of the parent/carer still not being satisfied, s/he should put the complaint in writing formally to the governing body for consideration by a complaints panel which will be delegated the power to make a final decision on the complaint on behalf of the whole governing body.

Where it is not practicable for the complainant to submit a complaint in writing, then this complaint should be made verbally. Where appropriate, arrangements for interpreting should be made.

**Timing:** The complaints panel will be convened within six school weeks and will be made up of three governors who have not previously been involved with the complaint, do not know the complainant personally and have no other interest in the complaint. Staff or teacher governors will not normally be panel members.

Two weeks before the panel sits, both parties will submit written evidence. At the hearing, the panel will interview the headteacher and the complainant, both of whom are entitled to be accompanied by a 'friend' who can speak on their behalf. The panel will reach its decision within eight school days when the panel chair will notify the complainant, the headteacher and the Chair of Governors of its decision.

A timetable and guidelines for Complaints Panel procedures are available separately and will be issued immediately to any complainant wishing to pursue a Stage 3 complaint.

**Outcome:** The decision of the Complaints Panel is final. If the complainant is still not satisfied s/he can take the matter to the Local Authority or the Secretary of State for Education, whose role would be to scrutinise the procedures followed by the school in investigating the complaint and make sure the parent/carers rights have not been compromised
